This is our inaugural Pressure Injury Awareness to promote greater emphasis on the care of pressure injury in the Western region of Singapore. If you are a nurse working in the community, nursing home, or community hospital, we invite you to partner with us through this webinar.

Come let us join hands and be equipped with up-to-date pressure injury prevention and management measures!

**Speakers:**  
Hong Jia Wei & Lim Jing Yi  
Wound & Ostomy Care Nurses

**Speaker:**  
Sim Yin Hui  
Occupational Therapist
